Roles: product/operations/project/comms manager. Strict filter: 70+/100 score (sweet spots: startups/trans/NGOs first; exclude engineers/finance/consulting). Browser used for walls.</p> <p><strong>Notes:</strong> Required files SKILL.md, claude-system-prompt.md, job-criteria.md not found (ENOENT). Criteria inferred from task: UK/London/remote, non-tech/finance/consult, NGO/startup/trans priority, recent (pw/pm). Rate limits hit frequently. Careers pages (BBC/ITV/C4) show no matching open roles. Reed charity links walled/empty fetch.</p> <h2>Qualifying Jobs (70+/100): 0</h2> <p>No jobs met strict 70+/100 threshold after review.</p> <h3>Near Misses/Low Scores (for reference):</h3> <ul> <li><a href="https://fourdayweek.co.uk/job/product-manager-3/">Product Manager, Hutch (London, games studio)</a> - Score: 45/100 (gaming ops, not NGO/startup/trans sweet spot)</li> <li>Reed.co.uk Charity Manager listings (London) - Walled, aggregate pages, no specifics fetched/scored &gt;70.</li> <li>BBC/ITV/Channel4 careers - No open product/ops/project/comms roles matching.</li> </ul> <p>Generated: Wed Feb 4 22:29 GMT 2026</p> </body> </html>
